REASONS FOR ALLOWANCE

Claims 1, 3-15, and 17-28 have been allowed over the prior art.

The following is an examiner's statement of reasons for allowance: The filing of a terminal disclaimer overcomes the double patenting rejection of the claims. Further, the use of a 2-D vernier alignment structure, in conjunction with the other claim limitations, was neither disclosed in, nor suggested by, the prior art to measure the alignment between two dice.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David A. Zarneke whose telephone number is (571)-272-1937. The examiner can normally be reached on M-Th 7:30 AM-6 PM.
